# United Way Logo Variations

The most fundamental visual element of our brand identity is our brandmark (or logo). As one of our most important assets, the logo must always appear as shown on this page in one of these color variations. No other color variations may be used.

## 1) Full-color

United Way of Marion  
and Taylor Counties

## 2) One-color black brandmark

United Way of Marion  
and Taylor Counties

# LIVE UNITED

The LIVE UNITED tagline should no longer be attached to the brandmark.

When used, it should include the copyright symbol and be used in one of the four color combinations to the right. The collateral piece should include the United Way brandmark somewhere on the design.
