

Tygart Valley United Way

2021

ANNUAL
REPORT

Dani DeVito
Board President

Brett White
Chief Executive Officer

I can't say THANK YOU enough for the support that you've shown the United Way throughout 2021. I think we all thought that this past year was going to be easier than the previous, but finding success through another year of fundraiser cancellations and constant changes all around us would simply not have been possible without your support. The people of our new Tygart Valley region are lucky to have people like you as their neighbors and friends.

Over this last year, I have been honored to serve as your president. With the strength and passion of our board, the strategic guidance of Brett White and his dedicated staff, and our tireless volunteers, we have been able to create change, encourage growth, and once again achieve the largest campaign goal in the history of our agency. And we accomplished all of this in the midst of a merger and bringing two new counties into the United Way community.

During this past year, we certainly Charted A New Course. Not only did we move forward as a new regional organization, but we've been able to add more programs and expand our campaign with new workplaces and partnerships. We continued relentlessly toward our goal and we couldn't have done that without our community. Our success is due to our collective hard work and drive.

I also want to send a very special thank you to our two dynamic campaign chairs for this year, Blaire Nuzum-Wise and Rosemary Thomas. Blaire and Rosemary led our first combined regional campaign with ingenuity and focus in an extremely challenging year. They overcame so many obstacles and still managed to keep the canoe upright and afloat.

Looking forward to 2022, we are all hoping that we can start fully reopening and get back to so many of the events and fundraisers our community has come to know, love, and look forward to. We must continue to adapt to any new challenges and make sure that we are helping those around us that need it the most. As I complete my term as President, I look forward to continuing the wonderful work that we are doing across our region and can't wait to see all the things that we accomplish together in the future.

2021 was a tremendous year for our organization. Although COVID-19 continued to change our world daily, United Way found ways to meet those challenges while also expanding programs and finding ways to help even more neighbors in need.

Embarking on our expansion and merger during a global pandemic proved challenging, but we never lost focus of the end goal, which was to help the Tygart Valley support more families and individuals as they strive to lead successful lives.

With a new name and regional focus, our team set out to engage and support the funded partner organizations across all five counties.

Under the leadership of our Campaign Co-Chairs Rosemary Thomas and Blaire Nuzum-Wise, and because of the generosity of over 1,028 donors, we exceeded our campaign goal and raised \$630,507. To accomplish this during our first regional campaign is a true testament to the generosity of our community. I'm so thankful for Rosemary and Blaire's support and commitment. They truly did chart a new course for our agency.

I also want to thank Dani DeVito for her two years of exceptional service as Board President. Stepping into the role at the start of a global health crisis certainly wasn't how we envisioned, but her steadfast leadership has been critical to our success. I also want to thank a dear friend that we lost this past year, Gary Clay. Gary's leadership and friendship was crucial to our merger. I hope that the success of our new regional United Way will serve as a tribute to Gary's compassion and belief in working together.

I'm so proud of where we have come and what we have accomplished in 2021. Our community is still rebuilding and we will be there for every step. I know our brightest days are on the horizon and I hope you will join us for the adventure!

**Coming together to
achieve greater impact.**

New Name. Expanded Mission.

The Boards of Directors of the United Way of Marion and Taylor Counties and the United Way of Randolph County announced the two organizations have merged and expanded to a new regional presence as the Tygart Valley United Way. The new organization also brings in Barbour and Tucker counties, making it a five-county organization. The new coverage area will include Marion, Randolph, Taylor, Barbour, and Tucker counties. The new organization aims to leverage both deep knowledge of the local communities in each county as well as the ability to provide the scale of resources needed to make an impact on complex issues facing our region.

"The Board of the Tygart Valley United Way believes this merger and expansion is the best way to serve our region's donors and agencies," said Dani DeVito, President of the Board of Directors. "Through collaboration and teamwork, we will continue our focus on the needs of our region and the interests of our local donors, while leveraging best practices in service delivery, development, and strategic partnerships of a larger organization."

The announcement event took place at Elkins City Park. Representatives and staff from both agencies were present and celebrated the new entity. The move enables the combined United Ways to leverage the shared history of funding, promising new ideas and mobilizing volunteers to advance innovative programs that address

the needs of children and families and move communities forward.

"We're excited about the opportunities that lay ahead for our new regional United Way," added Gary Clay, President of the Randolph County Board of Directors. "We have a long tradition of community support and I'm confident that this next step in our history will only lead to bigger and better things."

"Together, we can do more than any of us can alone to help strengthen families and communities," said Brett White, chief executive officer of the new Tygart Valley United Way. "Our goal is to help our community partners achieve the positive change we all want to see in our region on issues like school readiness and quality affordable childcare, and the economic stability of families. We stand ready to work with local businesses, individuals and families who want to give or volunteer to find the right opportunities to get involved and make great things happen."

VITA

The VITA program is designed to provide free tax preparation services to qualifying individuals. The program allows individuals and families to keep more money in their pockets by ensuring they receive tax credits they are eligible for, as well as not having to pay for tax preparation services.

During this second year of the program, COVID continued to require adjustments to the programming. As a result, the VITA site was turned into a drop-off site to allow for safety and health precautions.

This year, 303 returns were filed for local residents. This returned over \$241,812 to these individuals. The free service saved families over \$75,750 in preparation fees. The program had 21 volunteers that completed 343 hours of service.

“

I really appreciated the help I received from the volunteer tax preparer. He was kind and knowledgeable, and I'm grateful this service is available to our community.

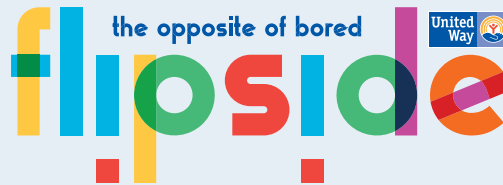

Brian M.

”

303

returns filed for individuals and families in 2021.

Flipside After School

Flipside is an after-school program that was specially developed in 2021 by Tygart Valley United Way for middle school students at 3 locations in Marion County! Every day, students receive a hot meal, homework help, opportunities for physical activity, as well as access to other artistic and scientific activities. Our goal is to keep them engaged, safe, and (most importantly) having fun!

We know middle schoolers want to be independent, but we ALSO know that sometimes, they need a little guidance and supervision. We're here to make sure they are supported academically, socially and physically. By connecting with outside community volunteers, we are striving to introduce students to new and interesting experiences and opportunities.

During the first year of the program, 70 children were enrolled at the three program sites.

“

I like coming to Flipside because I can hang out with my friends after school and get help with my homework.

Emma H.

”

10,456

hours of after-school care provided through Flipside.

Warm Coats Warm Hearts

Our 2021 Warm Coats, Warm Hearts Winter Clothing Drive collected over **2,600** cold-weather items for the residents of the Tygart Valley.

Expanding the program to all five counties proved successful and incorporated several new agencies.

Thanks to our local businesses and community members, we were able to supply these much needed items to over 15 agency partners.

West Virginia 211

2.1.1

West Virginia

West Virginia 211 has grown exponentially since United Ways resurrected and expanded the program statewide. In Tygart Valley, 2021 was a year of growth and promotion. We put significant efforts into spreading the message of 211 across all five counties.

Statewide, the program continued to serve West Virginians that struggled with COVID-19 issues. A new partnership with the Mountaineer Rental Assistance Program increased call volume with our call specialists screening applicants for the state funded program.

At the end of 2021, we had taken over 31,442 calls, 1,189 live chats, and 2,634 texts. Our website had over 45,469 online searches. All of these equate to over 218,424 minutes of help for West Virginians.

“

I felt very comfortable talking to 211 when I needed assistance and support. Francie answered my questions and went above and beyond. I couldn't have asked for a better experience.

Terry M.

”

31,442

calls taken by 211 specialists across West Virginia.

VolunteerHQ

VolunteerHQ, our online portal dedicated to helping individuals and organizations find meaningful volunteer opportunities, grew again in 2021 through partnerships with Davis & Elkins College and our expansion.

As the pandemic continued to make volunteering more difficult, VolunteerHQ was used to promote at-home opportunities and to coordinate projects for those looking to volunteer virtually and in person.

We have 88 organizations registered in the system and over 1,100 active volunteers across all five counties.

“

"VolunteerHQ has helped me stay informed on volunteer needs within my community. The site is an easy way for me to get connected to the causes I care about and make a difference."

Kelly B.

”

1,100

active volunteers using Volunteer HQ to get involved.

United for Kids

The United for Kids collection helps young people have what they need to face their day with dignity while in school.

This year's drive collected enough hygiene products, food, and clothing to stock all **50** school pantries across the region.

Items were delivered right at the start of the Fall semester.

TVUW values its fiduciary responsibility to donors, funders, and the larger community. We strive to operate as efficiently as possible.

Last year, 88% of our funding was invested in community programming, partner agencies, and impact initiatives.

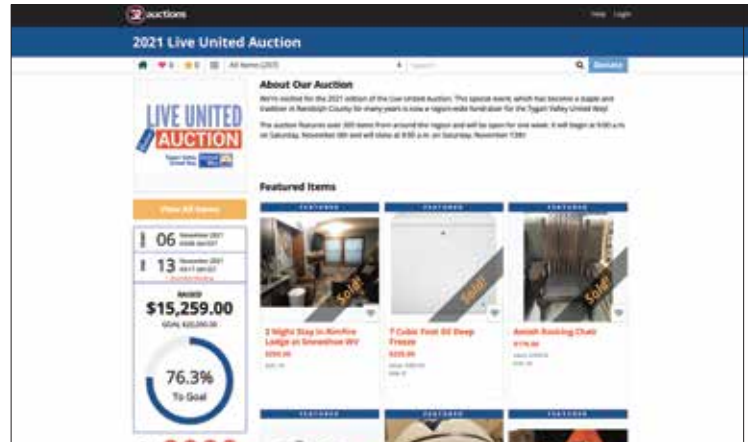

DANCING WITH THE STARS- Although the event had to be canceled because of COVID-19 precautions, the dancers worked tirelessly to ensure their raised funds could stay with United Way. Over \$34,000 was raised for the campaign.

CELEBRATION OF LIGHTS- The event celebrated its 14th year with over 530 displays lining Morris Park. Over 7,219 cars visited this year and the Rotary Club of South Fairmont was able to contribute \$75,000 to United Way.

MEATBALL HOAGIE SALE- Over 850 meatball lunches were sold this year, raising over \$6,500. The dedicated volunteers from St. Patrick's Ladies Guild of Coalton prepared and cooked the delicious meatballs.

LIVE UNITED AUCTION- The expanded auction was held the first week of November and brought bidders from throughout the Tygart Valley region. Lots of great deals and items helped raise over \$15,500.
