TYGART VALLEY UNITED WAY
**WOMEN
UNITED**[®]

Women United harnesses the power and dedication of women leaders to transform local communities - across America and around the world.

The Senator Society, which recognizes those leadership giving members that make single or cumulative gifts of \$10,000 or more, was founded in honor of the eight West Virginians from the Tygart Valley region that have served in the United States Senate. Members are considered the most

loyal advocates of the United Way's mission.

Members are inducted into the society annually as part of the LGS. Members will have given at least \$1,000 annually over 10 years or any cumulative total crossing over the \$10,000 mark.

Inductee names are inscribed upon a plaque on permanent display in the United Way offices so that their philanthropic generosity will be known for generations to come. The founding members were inducted in 2022.
