CONTRIBUTOR GUIDE 2027

OUR BOLD GOALS >>>

A thriving community doesn't happen by chance. It happens when we unite around bold goals.

Our Bold Goals represent a shared vision for the future of our region. They will guide how we invest, build partnerships, measure progress, and mobilize our community so that every person has the opportunity to thrive.

Ensure every young person has the relationships, skills, and opportunities they need to reach their full potential.

YOUTH OPPORTUNITY

Improve community health and wellbeing by expanding access to care and prevention services.

HEALTHY COMMUNITIES

Reduce financial hardship and create pathways to financial security for all people across our region.

FINANCIAL SECURITY

Build a resilient region where every community is prepared and equipped to respond to challenges and thrive through change.

COMMUNITY RESILIENCY

HOW WE DO IT

- ### Strategically Fund Programs

> Invest in high impact programs and partnerships that directly advance our Bold Goals and deliver measurable outcomes.
- ### Lead Community Collaboration

> Bring nonprofits, businesses, government, schools, healthcare, and community leaders together to solve complex challenges no organization can address alone.
- ### Mobilize People and Resources

> Inspire individuals, workplaces, volunteers, and donors to invest their time, talent, and resources where they can create the greatest community impact.
- ### Measure, Learn, and Adapt

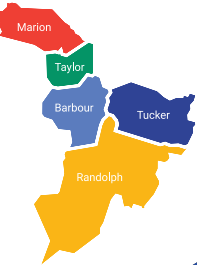

> Track progress, share results, and use data to continuously improve strategies and ensure lasting community change.

HOW YOU CAN HELP >>>

- The Bold Goals belong to our community, not just United Way. Together, every act of generosity, every hour volunteered, every partnership formed, and every voice raised moves us one step closer to turning our shared vision into reality.
- > **Give** to create lasting community change.
 - > **Volunteer** where it's needed most.
 - > **Lead** by inspiring others to get involved.
